CHAIN SAW - ONE MAN ELECTRIC - THREE PHASE - SPX72

It is useful to cut small wooden logs or trees fallen across roads during monsoons and cyclone. It is also useful for cutting through wooden structures like doors, windows during force entry.

Powerful motor

Easy-to-handle by one person

Off-the-shelf availability of spares

Light weight and compact so convenient in handling and transportation

High wood cutting speed ensures speedy work

Indigenously manufactured on par with international standard

A unique chain saw for multifarious activities

Very suitable to work in narrow space during rescue operations
